Evanhoe & Associates, Inc. is an ISO 9001:2008 Certified and Registered; VA certified (CVE) Service-Disabled, Veteran-Owned Small Business (SDVOSB); and SBA Certified 8 (a) Small Disadvantaged Business (SDB) that is focused on delivery of world-class value-added information technology (IT) solutions. As a full service IT solutions provider and systems integrator, we offer responsive consulting, project management, software development and sustainment, systems integration and implementation, as well as complete turn-key systems, hardware, automatic identification technology (AIT) consumables, and AIT system repair. We have extensive experience with SOA along with data integration and presentation. We are uniquely qualified to work within the USAF GCSS framework, both NIPR and SIPR, as well as the DISA Cloud.
