U.S. AIR FORCE

HIB Upcoming Acquisitions

Program	Purpose	Approximate Contract Value	Planned RFP DATE
AF-MNS	Acquisition	\$4-8M/yr	Spring 2013
EITDR	Sustainment	\$6 M	1QFY13
IGEMS	Sustainment	\$10M	4QFY12

Upcoming Acquisitions

U.S. AIR FORCE

Project: Air Force Mass Notification System (AF-MNS)

- **Objective:** The purpose of MNS is to provide warning and response direction for all personnel within 10 minutes of incident notification and verification. This core service shall allow Operators and Controllers of the system spread across multiple locations the ability to initiate and manage alerts supporting all personnel assigned to their respective subordinate units
- **Scope:** Architect, deploy, and sustain an AF enterprise-wide MNS solution
- **Anticipated Acquisition Approach:** TBD
- **Timeframe:**
 - Contract Award: Summer 2013
 - Period of Performance: FY13 through FY17
- **Approximate Dollar Value:** \$4-8M / yr

RFP release: Spring 2013

POC: james.rau@wpafb.af.mil

Integrity - Service - Excellence

Upcoming Acquisitions

U.S. AIR FORCE

Project: Inspector General Evaluation Management System (IGEMS) / Management Internal Controls Toolset (MICT)

- **Objective/Scope:** Provide sustainment support for IGEMS/MICT, a web-based Information Technology tool used by the MAJCOM IGs to manage inspections conducted on AF units. It includes the capability to collect, store, and report data generated by those inspections.
- **Anticipated Acquisition Approach:** Competitive 8(a) Acquisition
- **Timeframe:** 3 year contract, one-year base with 2 one-year options
 - Contract Award: Jan 13
 - Period of Performance: Jan 13 – Jan 16
- **Approximate Dollar Value:** \$10 M

RFP release: Estimated for 4QFY12

POC: don.keith@wpafb.af.mil

Upcoming Acquisitions

U.S. AIR FORCE

Project: Enterprise Information Technology Data Repository (EITDR)

- **Objective/Scope:** Provide sustainment support for EITDR, a web-based Information Technology tool used by the Air Force Leadership for life-cycle CIO management compliance reporting
- **Anticipated Acquisition Approach:** Competitive 8(a) Acquisition
- **Timeframe:** 3 year contract, one-year base with 2 one-year options
 - Contract Award: February 2013
 - Period of Performance: Feb 13 – Jan 16
- **Approximate Dollar Value:** \$6 M

RFP release: Estimated for 1QFY13

POC: don.keith@wpafb.af.mil

How Industry Can Help

U.S. AIR FORCE

- **Improved communication to build stronger relationships**
- **Identify the latest technology innovations**
- **Better partnerships to be more effective and efficient**

U.S. AIR FORCE
