

## **John W. Raney**

Mr. Raney assumed leadership as the Acting Director, Defense Enterprise Computing Center (DECC) Montgomery, Defense Information Systems Agency (DISA) at Maxwell AFB, Gunter Annex, Alabama on 3 May 2012.

Mr. Raney assumed leadership as the Deputy Director DECC Montgomery, DISA at Maxwell AFB, Gunter Annex, Alabama on 23 March 2012. In this capacity, he directs, manages and oversees the day-to-day operations of the data center and its Information Technology business. He is responsible for organizing, training and equipping a workforce of 220 civilian personnel and oversees the execution of an \$18M technical services contract as well as provides for Human Resources and Equal Employment Opportunity assistance as needed.

Mr. Raney assumed leadership as the Chief, Technical Support Division, DECC Montgomery, DISA at Maxwell AFB, Gunter Annex, Alabama in November 2009. He is responsible for new customer business integrations and migrations, application management services and for providing platform (physical/virtual servers) security services for 100 plus mission partner applications supporting DoD customers worldwide.

Mr. Raney was assigned the duties of Chief, AHLTA Operations Branch, AHLTA Division, DECC Montgomery, DISA at Maxwell AFB, Gunter Annex, Alabama on 3 May 2004. He was responsible for providing technical services supporting operational, technical and application management of 101 Military Treatment Facilities (hospitals) around the world. In addition, he was responsible for meeting Service Level Agreements with Military Health Care Systems in the operational management of the Clinical Data Repository which services more than 9.6M active, retired and military dependent beneficiaries.

He enlisted in the Air Force in 1977 and retired from active duty as a Chief Master Sergeant in 2004. During his 27 year career, he served in a variety of Information Technology positions overseas and at stateside bases to include a Joint Assignment in Key West, Florida and a Combat Communications tour of duty with the 5<sup>th</sup> MOB at Robins AFB, Georgia. He retired as the Chief of the Air Force's largest Help Desk, the Field Assistance Branch, which serviced the technical/informational needs of Air Force customers globally.

Mr. Raney holds a Bachelor's of Science Degree in Human Resources Management from Faulkner University, a Master's of Science Degree in Information Technology Management from Touro University, and an Associate's Degree from Community College of the Air Force. He is a graduate from the Air Force Senior Non-Commissioned Officer (NCO) Academy and is an Information Technology Infrastructure Library v3 Expert.
