

# BIOGRAPHY

UNITED STATES AIR FORCE

## MR. SCOTT D. WARREN

Mr. Warren is the Deputy Director of the Business Enterprise Systems (BES) Directorate, Maxwell Air Force Base, Gunter-Annex, Alabama.

Mr. Warren assists the Air Force Program Executive Officer (PEO) for BES in the delivery of comprehensive IT solutions; providing acquisition, sustainment, enabling services, and operations of IT systems across the Air Force and the Department of Defense. Mr. Warren oversees a workforce of more than 1,800 military, civil service, and contractor support personnel located at five geographic locations throughout the United States with annual spend authority exceeding \$1 billion.

Mr. Warren is the recipient of two Bachelor of Science degrees, one in Education from Miami University in Oxford, Ohio, and the other in Engineering from the University of North Carolina in Charlotte, North Carolina. Upon graduation, he began his Civil Service career as a Systems Engineer, Warner-Robins Air Logistics Center, Georgia. Over a 28-year career, Mr. Warren has served in diverse positions, including Lead Engineer, Technical Advisor, Division Chief, Deputy Director and Directorate Director. During this period, he also earned a Masters in Logistics Administration from the Georgia College and State University in Milledgeville, Georgia, as well as completed Air War College via Seminar. In November 2010, Mr. Warren graduated from the PMT 401, Program Managers Course, Defense Acquisition University, Fort Belvoir, Virginia.

Mr. Warren has extensive experience with research and development, acquisition program management, sustainment and testing. He has worked integration requirements for the F-16, F-15, B-1, B-52, A-10 and various C-130 models.
